

N O R I O T A

NIB310

NIB470

NIB580

310LB / 470LB / 580LB ICE STORAGE BIN

FEATURES & BENEFITS

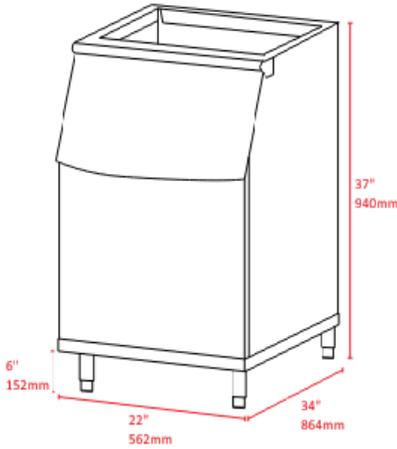

- **Stainless steel exterior:** Provides exceptional durability and makes cleaning a breeze
- **Stainless steel insulated door:** Additional insulation inside the door further reduces melt rate; lid stays in open position when fully raised
- **Internal LED light:** When combined with the matching modular ice machine; increase visibility inside the bin, making it easier to monitor ice levels and access ice even in low-light conditions
- **Polyethylene storage bin liner:** Enhancing hygiene to ensure cleaner and more sanitary environment for ice storage
- **15.24 cm (6 in) adjustable leveling legs:** Allow for easy leveling on uneven surfaces, ensuring stability and optimal performance while also making it easy to clean under the machine

WARRANTY

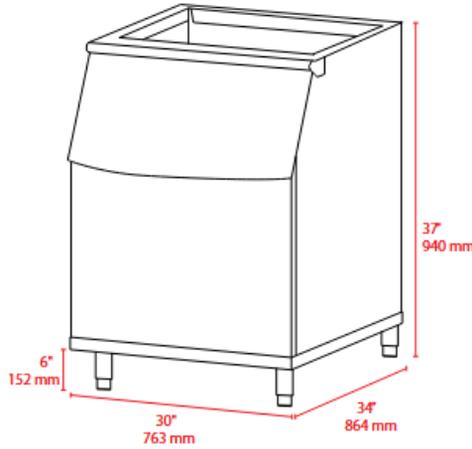

2-year parts & labour
